

CERTIFICATE OF PARTICIPATION
Forecasting Tournament

 **OPTIONS**

Petr Bodský

Attained relative Brier score of **-0.36**, ranked **30** out of 212
eligible participants, securing a nomination to the Expert Forecasting Team
(top 60 forecasters) and answered **24** questions from 03/05/2021 to 04/25/2021

*In forecasting tournaments, participants compete anonymously in predicting future developments on an online platform.
During the tournament, they are asked questions from different areas, such as "What will be the daily increase
in Covid-19 cases on April 1, 2021?" to which they assign numerical probabilities.*
